SUBJECTS BROUGHT BEFORE THE BOARD

The commissioners met with Waneta Wellinhoff, Ross County Dog Warden, to discuss a case in which involved an out of county dog.

Ms. Wellinhoff said that the State Route 327 north goes in and out of Ross and Vinton County’s. It is hard to determine which county that you are in. However, this call I went to was located in Vinton County but the dog was adopted from Ross County. I was only there because a complaint had been filed for animal cruelty. Since I was out of county, the resident has filed trespassing charges against us in Vinton County. I didn’t know at the time that I was out of Ross County. I responded to the complaint only to the best interest of the animal.

Mr. Corcoran said that you need to determine the county that you are in and then call for back up with the adjoining county if there is any question before you go on a call.

Jody Walker, director of South Central Ohio Job & Family Services, and Paula Ogan, fiscal officer, met with the commissioners to discuss the lease agreement.

Ms. Ogan said that she needs to know if labor and benefit costs need to be included or not included in the lease. We have been working with Tom Hollett/Maximus on how we can handle this lease. Shall we use the allocation plan or just place the labor and benefit costs in the lease.

Mr. Neal said to find out from Tom to work up with and without if possible. This way we then can compare and make a determination.

William Murdock, Eileen Leuby, Thea Walsh and Terry Flora, Mid-Ohio Regional Planning Commission (MORPC) met with the commissioners to present an update of services. Tammy Eallonardo, Greater Chillicothe & Ross County Development was also in attendance.

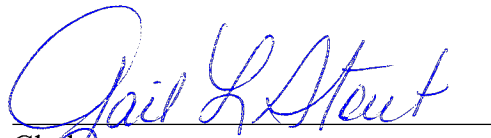

Mr. Murdock led the meeting with an overview of services. Three major projects for Ross County are Charleston Pike bridge replacement, Rapid Forge road resurfacing and SR 207 extension. All three projects have been taken to the federal legislator. We had the privilege of hosting the Mid-America Trails & Greenways Conference in Columbus which drew subject planning professionals together to focus on these issues. As a region, we have successfully organized a Central Ohio Greenways Organization of which your community is very engaged in. This fall we will host our annual Summit on Sustainability. This is our signature environmental showcase event and draws several hundred planners and community leaders. We hold Regional Collaboration meetings with each quadrant in Central Ohio. We welcome public service practitioners and community development professionals. Ross County is invited to Southwest and Southeast. These meetings provide time to do community updates and help strengthen our public services network.

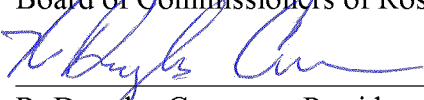

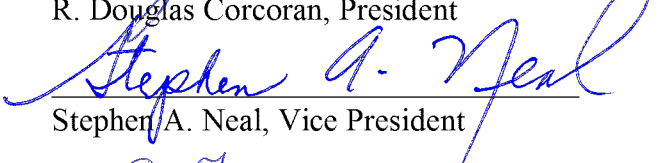

Ross County Prosecuting Attorney, met with the commissioners to discuss the Ross County/Chillicothe Law Enforcement Complex and Jail upgrade and renovation project.

The commissioners are concern that the project is way behind schedule and have several different issues that need to be addressed. We would like the prosecutor to prepare a letter on our behalf to the current contractor Palmetto and the architect/engineer DLZ addressing our concerns.
