November 2025 Project Status Updates

Project	Status Update
	Project Update: GMP 1: 35% construction complete, GMP 2: 15%
	construction complete.
	Mulberry Street construction continues to stay on schedule. Yoctangee
	Park construction/ground breaking has begun. Armory renovation is
	underway. City permitting expectations have been relayed to
	contractors. Multiple bulletins have been sent from ASP to Ruscilli
	(Lighting, Bollards, Ballfield Dugouts, Family Restroom). Striping nearly
	finished on Water Street (one ADA stall remains unstriped due to utility work repair).
Yoctangee Park Recreational	Design Firm: American Structurepoint
Improvements, Chillicothe Armory	CMR: Ruscilli Construction
Restoration & Expansion + Ross	GMP 1 Executed: August 14, 2025
County Visitor's Center, District	GMP 2 Executed: October 8, 2025
Gateways and Circulation	Construction Start Date: September 10, 2025
Improvements	Construction Completion Date: September 30, 2026
	Project Update: 2.5% construction complete.
	Mulberry Street construction underway, concrete pours have begun.
	Design Firm: American Structurepoint
City of Logan Downtown Gateway,	CMR: TAM Construction
City of Logan Main Street	GMP Executed: August 6, 2025
Streetscape, City of Logan Market	Construction Start Date: October 27, 2025
Street District	Construction Completion Date: September 30, 2026
	Project Update: GMP 1: 50% construction complete, GMP 2: 20%
	construction complete.
	Pit Toilet has been installed at Seip earthworks. Hopewell floodplain has
	been approved and the site is ready for construction.
Mound City Visitor Experience	, ,
Enhancements, Seip Earthworks	Design Firm: American Structurepoint
Experience Enhancements,	CMR: Bruns Construction
Hopewell Mound Group Visitor	GMP 1 Executed: July 24, 2025
Experience Enhancements,	GMP 2 Executed: October 20, 2025
Hopeton Earthworks Experience	Construction Start Date: October 23, 2025
Enhancements	Construction Completion Date: April 28, 2026
Admin	N/A
	Project Update: GMP 1: 100% complete, GMP 2: 8% construction complete
Black Horse Inn Underground	Demolition and structural continue. 11/3 parking variance received.
Railroad Museum	11/10 Exhibit fabricator kick off meeting. 11/13 Special Inspection &

	Testing agreement executed. Final museum exhibit design anticipated
	first week of January. Installation of exhibits slated for 7/6/26 upon
	completion of first floor construction.
	Structural phase of construction through December and January
	expected to get the project closer to the spending threshold
	expected to get the project closer to the spending threshold
	Docign Firms Docigning Local
	Design Firm: Designing Local
	CMR: Grae-Con Construction
	GMP 1 Executed: July 21, 2025
	GMP 2 Executed: October 8, 2025
	Construction Start Date: November 3, 2025
	Construction Completion Date: August 31, 2026
	Project Update: 0% Construction complete.
	On-site construction began November 10.
	.
	Design Firm: APG Architects
	General Contractor: Paul Construction
	Bid Opening Date: September 3, 2025
Chastaukill Austiau Cita	
Chesterhill Auction Site	Construction Start Date: November 10, 2025
Improvements	Construction Completion Date: May 1, 2026
	Project Update: 0% of construction complete.
	A preconstruction meeting was held on November 21, 2025 and
	contractor, Miller Cable Company of Green Springs, Ohio is to review
	and sign contract. Once it is fully executed, the City of Athens is to
	provide us a copy. The first construction progress meeting will be held in
	January 2026 so hopefully construction start will also be in January
	2026.
	Design Firm: American Structurepoint
	General Contractor: Miller Cable Company
	Bid Opening Date: October 28, 2025
City of Athona Control Business	
City of Athens Central Business	Construction Start Date: December 2025??
District Beautification	Construction Completion Date: September 25, 2026
	Project Update: GMP 1: 75% of construction complete.
	Permits issued to building department and health department for
	plumbing. Bids were received by CMR. Signage package was finished to
	be eligible to go out for bid. Dirt work for GMP1 is underway.
	Design Firm: Choice One
	CMR: Geiger Bros.
	GMP 1 Executed: September 15, 2025
	GMP 2 Executed: Not yet
	Construction Start Date: October 6, 2025
City of Hillsboro Crossroads Park	Construction Completion Date: September 30, 2026

V	
	Project Update: GMP 1 & 2 =100% complete. GMP 3 (bulk of construction) =20% construction complete.
	Concrete subcontractor has mobilized and begun demo of curbs and brick pavers. New curbs and gutters have been poured on Broadway Street. Waterline improvements continue on Broadway Street. Contractors are communicating closely with the Downtown businesses so they are aware of interruptions to water or electric service as well as
	temporary barriers that may be set-up to control the construction area.
	Design Firm: BDT Architects CMR: Geiger Bros.
	GMP 1 Executed: May 8, 2025
	GMP 2 Executed: June 5, 2025
	GMP 3 Executed: July 1, 2025
City of Jackson Downtown	Construction Start Date: July 8, 2025
Streetscapes	Construction Completion Date: August 4, 2026
	Project Update: 12% of construction complete.
	Underground plumbing is completed; backfill of plumbing excavation is complete with compaction. Plumbing inspections were signed off. Slab
	prep and electrical underground in the slab have started. Electrical
	underground slab should be completed by next Wednesday.
	Site trenching for conduit will start Monday, Dec. 1st.
	Have had 3 full weather delays since the last project meeting on site.
	Design Firm: BDT Architects
	General Contractor: Stockmeister Enterprises
	Bid Opening Date: March 18, 2025
Holzer Hill Medical Complex Child	Construction Start Date: June 16, 2025
Care Center	Construction Completion Date: August 13, 2026 Project Update: Project will not move forward. Eligible design expenses
	will be reimbursed.
	Will be remibulsed.
Mighty Children's Museum	
	Project Update: 2% of construction complete.
	Awaiting GMP #2 for seating costs. 11/24 Approval received for the SVA
	credit to cover tap fees. 11/25 Approval received from GOA for the use
	of ARC funds to cover the balcony and to incorporate the remaining sprinkler work into the ACGP scope. Demolition activity is almost
	complete. Foundation work is ongoing.
	Seats need to be approved and ordered by early February 2026 in order
	to be installed on time.
	Design Firms Schoolog Coldwell
	Design Firm: Schooley Caldwell CMR: Grae-Con Construction
Monroe Theatre Restoration	GMP Executed: October 2025
Monroe meatic nestoration	Sim Excouted, October 2023

V	
	Construction Start Date: November 3, 2025
	Construction Completion Date: September 29, 2026
	Project Update: 5% of construction complete.
	Clearing and grubbing complete, Topsoil strip complete, Drying and stabilizing existing subgrade in process, Cut/fill earthwork operations to finish grade in process, Processing all project submittals/shop
	drawings/rfi's.
	Working around the weather – wet conditions are slowing earthwork operations but contractor working around rain days.
	Design Firm: McCarty & Associates
	General Contractor: Conger Construction
	Bid Opening Date: August 8, 2025
Mount Orab Healthcare Services	Construction Start Date: October 27, 2025
Revitalization	Construction Completion Date: September 30, 2026
	Project Update: 100% of Phase I construction complete. 7% of Phase 2 construction complete.
	Phase 1 complete 10/31/25. Phase 2 commenced 11/3/25. Lift station that was moved to Phase 2, is installed and awaiting hook-up by the city; Phase 2 underway, delivery of steel beams for floor expected on
	12/8. Found a buyer for the floor joists that have been removed.
	Awaiting city approval of plan to add a vestibule for the elevator to
	protect it from the elements. Stained-glass window restoration is proceeding on schedule.
	Design Firm: Hardlines
	Stained Glass Windows Contractor: Studio Arts and Glass
	RFP Due Date: January 7, 2025
	Stained Glass Windows Start Date: May 2025 Stained Glass Windows Completion Date: September 30, 2026
	General Contractor Phase I: Wolf Creek Construction
	Bid Opening Phase I: March 14, 2025
	Phase I Start Date: March 31, 2025
	Phase I Completion Date: October 31, 2025
	General Contractor Phase II: Wolf Creek Construction
	Bid Opening Phase II: June 27, 2025
	Phase II Start Date: November 3, 2025
Mount Zion Baptist Church	Phase II Completion Date: September 30, 2026
	Project Update: 0% of construction complete.
	Construction contract fully executed. Preconstruction meeting was held
	on December 3, 2025. Construction start date is January 5, 2026.
	Design Firm: New River Engineers
	General Contractor: Eclipse Company
Paint Creek Recreational Trail	Bid Opening Date: September 24, 2025
Section Repairs	Construction Start Date: January 5, 2026

Project Update: 35% of construction complete. Existing tower footings have been excavated and removed. New footings have been excavated, Sono tube and reinforcing bars were installed, and concrete was placed. Existing steel cleaning and paint mockup was completed. The cleaning and painting of the existing steel framing has continued. All existing framing to remain has received the initial coat of paint. All new steel framing, bar grating and hardware habeen delivered to the site. Total of (2) days lost due to weather delays. Minimal to no impact to the schedule is anticipated. Design Firm: American Structurepoint General Contractor: Buckeye Construction & Restoration Bid Opening Date: July 25, 2025 Construction Start Date: September 22, 2025 Construction Completion Date: January 15, 2026

Schoolhouse Improvements tasks at the Tannery.	Schoolhouse Improvements	tasks at the Tannery.

<u>V</u>	
	During demo of the Tannery addition, the historic rear wall of the Tannery has been observed to be in poor condition. There are significant stair step cracks, most notably above openings. Contractor confirmed that they will be shoring these openings as they continue to remove the addition, so to not affect the stability of the wall. Tannery: The footers are anticipated to be removed soon contingent on
	the archaeological report detailing the anomalies found at the addition.
	Design Firm: Schooley Caldwell General Contractor: Structural Systems Repair Group (SSRG)
	Bid Opening Date: July 31, 2025
	Construction Start Date: October 6, 2025
	Construction Completion Date: April 30, 2026
	Project Update: 0% of construction complete.
	Project bid has been awarded to Axis Civil Construction, LLC. Streetscape project will run simultaneously with separate OEPA funded waterline project, and separate ODOT resurfacing project all occurring within the same project area. A preconstruction meeting is being held on December 18, 2025 for the waterline project and the streetscape project preconstruction meeting will be held right after it so the two contractors can meet and coordinate their efforts.
	Design Firm: American Structurepoint
	General Contractor: Axis Civil Construction
	Bid Opening Date: October 29, 2025
	Construction Start Date: March 2, 2026?
Village of Bainbridge Main Street Streetscape	Construction Completion Date: September 30, 2026
Streetscape	Project Update: 15% of construction complete.
	Construction started in earnest with demo work done on the east side of Converse St. with some concrete poured. Both murals are complete.
	Issues with discrepancy in information provided by ODOT in regards to intersection and narrowness of the road where the planned location of ADA crossing ramps is. Designing Local has come up with several alternatives while we schedule a meeting with ODOT to try and get on the same page. McKees Paving is starting their work on the other side of the project to stay on track with construction and leaving the intersection and pedestrian crossing until later when we have confirmed any changes to appease ODOT. No delays yet from this issue and we hope to have confirmation from ODOT on the project before it causes any.
