

**October 2025 Project Status Updates** 

Project	Status Update
	Project Update: GMP 1: 30% construction complete, GMP 2: 1%
	construction complete.
	A utility pipe on Mulberry Street was discovered that was not included
	in the contractor's original specifications, so the City stepped in to help
	resolve the issue. In addition, new bricks needed to be ordered
	immediately to ensure they arrived before the end of the year. The only
	available supply was located in Cleveland, which increased costs
	slightly, but it was an easy decision to move forward to avoid
	inconveniencing residents with an extended construction period or a
	temporary concrete surface in place of the brick roadway. Striping on
	Water is not yet complete. We have parking stalls that are not installed
	because we are waiting on the concrete contractor to add handicap
	ramps to the sidewalks. Striping cannot occur until the ramps have been
	installed. This ensures that the ramps are lined up correctly with the
	striping.
Yoctangee Park Recreational	Design Firm: American Structurepoint
Improvements, Chillicothe Armory	CMR: Ruscilli Construction
Restoration & Expansion + Ross	GMP 1 Executed: August 14, 2025
County Visitor's Center, District	GMP 2 Executed: October 8, 2025
Gateways and Circulation	Construction Start Date: September 10, 2025
Improvements	Construction Completion Date: September 30, 2026
	Project Update: Under 10% construction complete.
	Construction mobilization, saw cutting, and demolition has started on
	October 27th
	Design Firm: American Structurepoint
City of Logan Downtown Gateway,	CMR: TAM Construction
City of Logan Main Street	GMP Executed: August 6, 2025
Streetscape, City of Logan Market	Construction Start Date: October 27, 2025
Street District	Construction Completion Date: September 30, 2026
	Project Update: GMP 1: 10% construction complete, GMP 2: 0%
	construction complete.
	Pit Toilet and pavilion have been ordered which are the two largest
	components of construction. Government shutdown has caused the
	federal floodplain agency reviewing Hopeton to not be able to approve
	those plans. We have shifted our construction plan to start with Seip
	Earthworks first, then Mound City.
Mound City Visitor Experience	
Enhancements, Seip Earthworks	Design Firm: American Structurepoint
Experience Enhancements,	CMR: Bruns Construction
Hopewell Mound Group Visitor	GMP 1 Executed: July 24, 2025
Experience Enhancements,	GMP 2 Executed: October 20, 2025
Hopeton Earthworks Experience	Construction Start Date: October 23, 2025
Enhancements	Construction Completion Date: April 28, 2026

Admin	N/A
	Project Update: GMP 1: 100% complete, GMP 2: 0% construction
	complete
	Mobilization started the week of October 27th and demolition will
	begin the week of November 3rd.
	Final Permit Approval will occur after CMR Mechanical, Electrical and
	Fire Safety subs finalize drawings.
	Museum Exhibit Designers, Curator's Team, and Owner look to get
	fabricator onboarded in Nov/Dec to allow Value Engineering input prior
	to Jan 2026 Final Design Development drawings submittal.
	Spending thresholds will continue to be a focus in the coming months as
	construction begins.
	construction begins.
	Design Firm: Designing Local
	CMR: Grae-Con Construction
	GMP 1 Executed: July 21, 2025
	GMP 2 Executed: October 8, 2025
Black Horse Inn Underground	Construction Start Date: November 3, 2025
Railroad Museum	Construction Completion Date: September 30, 2026
Kalil Oau Wuseulli	<del></del>
	Project Update: 0% Construction complete. Under contract. Construction will begin November 10th after the last
	auction for the season.
	auction for the season.
	Destruction ADO Auditions
	Design Firm: APG Architects
	General Contractor: Paul Construction
	Bid Opening Date: September 3, 2025
Chesterhill Auction Site	Construction Start Date: November 10, 2025
Improvements	Construction Completion Date: May 30, 2026
	Project Update: 0% of construction complete. Bid opening is October
	28, 1 bid received. Bid price is over the project estimate but by less than
	20% so the City is planning to accept the bid, add their own money in
	addition to the ACGP funds, and award the contract in November.
	Design Firm: American Structurepoint
	General Contractor: ??
	Bid Opening Date: October 28, 2025
City of Athens Central Business	Construction Start Date: December 2025
District Beautification	Construction Completion Date: September 25, 2026
	Project Update: GMP 1: 10% of construction complete.
	October 17 <sup>th</sup> : Earth work began. October 13 <sup>th</sup> : Construction documents
	submitted to building department. Expedited review was conducted -
	Plans are pending with minimal revisions. Page turn meeting October
	23rd - to review questions from Geiger.
	Design Firm: Choice One
	CMR: Geiger Bros.
	GMP 1 Executed: September 15, 2025
City of Hillsboro Crossroads Park	GMP 2 Executed: ??

	Construction Start Date: October 6, 2025
	Construction Completion Date: September 30, 2026
	Project Update: GMP 1 & 2 =100% complete. GMP 3 (bulk of
	construction) =10% construction complete. 9/22/25 - Intersection of
	Broadway and Pearl was closed to install waterline stops and waterline
	appurtenances.
	Design Firm: BDT Architects
	CMR: Geiger Bros.
	GMP 1 Executed: May 8, 2025
	GMP 2 Executed: June 5, 2025
	GMP 3 Executed: July 1, 2025
City of Jackson Downtown	Construction Start Date: July 8, 2025
Streetscapes	Construction Completion Date: August 4, 2026
	Project Update: 8% of construction complete.
	The footings have been poured and the stem wall is in place.
	Underground plumbing is currently be installed. Structural steel and
	slab to follow.
	Design Firm: BDT Architects
	General Contractor: Stockmeister Enterprises
	Bid Opening Date: March 18, 2025
Holzer Hill Medical Complex Child	Construction Start Date: June 16, 2025
Care Center	Construction Completion Date: September 7, 2026
	Project Update: Submitted amendment due to budget restraints for the
	entire project exceeding our anticipated cost.
	Design Firm: Marsh Architects/JCKL Architects
	General Contractor: ??
	Bid Opening Date: ??
	Construction Start Date: ??
Mighty Children's Museum	Construction Completion Date: ??
	Project Update: 0% of construction complete.
	GMP 1 executed 10/15/25 and construction has started. GMP
	Amendment #2 for seating will occur in November, awaiting selection of
	seating vendor.
	Pre-construction Services were completed by CMR and construction
	began on 10/27/2025.
	GOA has approved the use of ARC funds to cover the CMR's work on the
	balcony construction 10/29/2025.
	Minor Amendment submitted to Ross County on 10/31/2025 requesting
	the use of ACGP funds to cover a portion of the sprinkler work due to re-
	assigning the ARC grant funds to the balcony work.
	PSI Intertek has been chosen to provide Special Inspection and Testing
	Services for the Monroe Theatre and contracts are being reviewed by
	Bricker team as of 10/31/2025.
Manua Thatha Dash at the	Approval for increase in seating capacity received from the building
Monroe Theatre Restoration	department on 10/31/2025.

	Design Firm: Schooley Caldwell
	CMR: Grae-Con Construction
	GMP Executed: October 2025
	Construction Start Date: November 3, 2025
	Construction Completion Date: September 30, 2026
	Project Update: 5% of construction complete.
	Bi-weekly progress meetings are being conducted
	Notice of Commencement was recorded
	Submittals are underway – utilizing ProCore platform for all CA efforts
	Regraded site to avoid having to obtain Army Corp Nationwide Permit.
	Design Firm: McCarty & Associates
	General Contractor: Conger Construction
	Bid Opening Date: August 8, 2025
Mount Orab Healthcare Services	Construction Start Date: October 27, 2025
Revitalization	
Revitalization	Construction Completion Date: September 30, 2026
	Project Update: 100% of Phase I construction complete. 5% of Phase 2
	construction complete.
	Phase 2 started 11/3/25 with floor demolition; window studio coming
	on 11/11 to complete measurements of exterior window frames and
	basement windows.
	Elevator inspector recommended vestibule be added, based on his
	observations of other installations. MZ is exploring options. Awaiting
	response on amendment to possibly add museum exhibits to project.
	Design Firm: Hardlines
	Stained Glass Windows Contractor: Studio Arts and Glass
	RFP Due Date: January 7, 2025
	Stained Glass Windows Start Date: May 2025
	Stained Glass Windows Completion Date: September 30, 2026
	General Contractor Phase I: Wolf Creek Construction
	Bid Opening Phase I: March 14, 2025
	Phase I Start Date: March 31, 2025
	Phase I Completion Date: October 31, 2025
	General Contractor Phase II: Wolf Creek Construction
	Bid Opening Phase II: June 27, 2025
	Phase II Start Date: November 3, 2025
Mount Zion Baptist Church	Phase II Completion Date: September 30, 2026
	Project Update: 0% of construction complete.
	Awaiting fully executed contract.
	Design Firms New Piver Engineers
	Design Firm: New River Engineers
	General Contractor: Eclipse Company

Paint Creek Recreational Trail	Construction Start Date: December 1, 2025
Section Repairs	Construction Completion Date: July 1, 2026

Project Update: 15% of construction complete. Project banners have been installed at the parking lot and near the tower location. The notice of commencement has been filed. The tower's viewing platform, upper stairwell, lower stairwell, as well as the mid-level walking platform have been disassembled and relocated to the staging area for cleaning and preparation for painting. Necessary bracing and shoring of the tower have been installed. The railings and walking surfaces of the upper portion of the tower have been disassembled. Steel has been ordered. The new paint color has been selected. The existing foundations have been excavated. The holes for the new footings have been excavated. Design Firm: American Structurepoint General Contractor: Buckeye Construction & Restoration Bid Opening Date: July 25, 2025 Construction Start Date: September 22, 2025 Construction Start Date: September 22, 2025 Construction Completion Date: February 6, 2026 Project Update: 55% of construction complete. Good progress is still being made on construction, including front stairs and exhibit design. Five change orders have been proposed and accepted by the Owner to date. The Contractor has paused work of the Front Stair construction due to unforeseen existing conditions. The Landscape Architect and Structural Engineer have proposed two options to move forward. The Owner will provide final approval on a path forward based on the two options provided by Designing Local. Pending the Owner's final approval, the Contractor will prepare any applicable Change Orders and revise shop drawings for the Structural Engineer's review.  Design Firm: Designing Local General Contractor: Wolf Creek Construction Bid Opening Date: May 5, 2025

os crant visitor s center radinty	Project Update: 5% of construction complete.
	Construction started on 10/7/2025. Notice of Commencement filed with
	the County Recorder's Office on 10/9/2025. Demo work ongoing at the
	Tannery building. Work on Boyhood Home will begin after the end of
	the season after October 31.
	and season area october 521
	During demo of the Tannery addition, the historic rear wall of the
	Tannery has been observed to be in poor condition. There are
	significant stair step cracks, most notably above openings. Contractor
	confirmed that they will be shoring these openings as they continue to
	remove the addition, so to not affect the stability of the wall.
	Design Firm: Schooley Caldwell
	General Contractor: Structural Systems Repair Group (SSRG)
	Bid Opening Date: July 31, 2025

	Bid opening was October 23rd. Design firm has done bid tabulation and is recommending the village award to the low bidder for the project.
	Village council to meet November 6th to decide on award.
	Design Firm: Choice One
	General Contractor: ??
	Anticipated Bid Opening Date: October 23, 2025
	Construction Start Date: February 2, 2026
	Construction Completion Date: September 30, 2026
	Project Update: 100% of Phase I complete. 50% of Phase II.
	Phase II of construction continues. The Belfry is completed. The Steeple
	and Interior wood repairs were added to the project. The RR demolition
	has been completed.
	The RR demolition revealed non-compliant SS line under the slab. This
	will have to be remedied by cutting the slab and running new Sch 40.
	We have funding available for the CO. Additionally, AEP is requiring a
	disconnect for the new panel. We have made arrangements to add that to the scope and have received funding for that.
	to the scope and have received funding for that.
